SOCIAL REPORT

OCC Quiz Night 2007

The 2007 Annual Orpington CC quiz night was held on Fri 1 June at the club.

15 teams did battle for this now coveted prize - ranging from colts and senior players through to friends, families and colleagues. It is always good to see a social event well attended and this one certainly was - so thanks to all those who took the trouble to organise a side for the event or indeed just to turn up.

After 6 rounds of questions plus two picture rounds, the best team on the night, who were led by the Coleman's, were duly awarded their winners' trophies.

Overall it seems that the night was a popular success. Many thanks to our women's section for organising and providing the action and for being so efficient in doing so. They also arranged a well-received raffle which had the biggest assortment of prizes seen in recent years at the club!

In financial terms we raised almost £500 which is a great achievement - this as usual will go into the general club coffers and will be used towards improving all things OCC.

My final thanks go to Gord, Jim and Trudi who between them organised the trophies and the snacks for each table. As with all events, such assistance is greatly appreciated and adds to the evening as a whole.

I look forward to seeing you at the 2008 Annual OCC Quiz.

David Robinson [OCC Social Sec 2007]
