SOCIAL REPORT

OCC Quiz Night 2010

The 2010 Annual Orpington CC quiz night was held on Friday 9 July at the club.

This year 14 teams, (some taking advantage of the new rule changes allowing 8 members per side) did battle for the much coveted title of OCC Quiz Champion - ranging from colts to senior players through to friends, families and of course the 2009 defending and self-proclaimed 'world quiz champion' Frank captaining his carefully selected team. It is always good to see a social event well attended and this one certainly was - so thanks to all those who took the trouble to organise a side for the event or indeed just to turn up.

After 6 rounds of questions plus two picture rounds, the best team on the night and winning by a clear margin of 12 points was Frank's Team – defending their title from 2009 . . . this left people wondering if he will lift the OCC Quiz Trophy for 3 years in a row come 2011 or will the pressure simply be too much to take on such fragile shoulders! The team were duly awarded their winners' trophies.

Overall it seems that the night was once again a popular success. Many thanks must go to our women's section for organising and providing the action so efficiently and donating all the prizes towards an extremely successful raffle with the biggest assortment of prizes scene in recent years at the club!

Thanks also to Broke Hill Golf Club for donating a round of golf for 4 players, which was auctioned on the night.

In financial terms we raised almost £500 which is a great achievement - this as usual will go into the general club coffers and will be used towards improving all things OCC.

My final thanks go to Jon Whiting for organising the trophies. As with all events, such assistance is greatly appreciated and adds to the evening as a whole.

I look forward to seeing you at the 2011 Annual OCC Quiz.
