SOCIAL REPORT

OCC Race Night 2005

OCC's annual race night was held in The Maxwell, Orpington on Sat 17th September. As usual, the horses had been sold in advance of the evening, leaving us to run a tote on the night, along with staging the traditional 8th race auction.

The evening proved to be a success, raising the OCC in excess of £600.

Our thanks must go to Anne, the Maxwell's landlady, for allowing us to host the event in her pub, and free of charge at that. Additionally, we would like to thank Gordon and Dennis for running the tote, and our distinguished chairman Geoffrey for providing us with his dulcet tones on the microphone throughout the evening.

As all people OCC know, the success of such evenings is paramount to the financial security of the club going forwards, so a big thank you to all those of you that made the effort to buy a horse and to attend the evening itself. Without such support there will be no OCC - please remember that.

David Robinson - OCC Social Sec 2005
