Finances Update

Fundraising Initiatives – “Score a Ton”: Each member to raise £100 minimum anyway they can. We have started to receive pledges and ideas from members for this fundraising initiative. As another example, Jim and Trudi (who do our teas) will be kindly donating money raised in their ‘honesty box’. All home team club members who are not actively partaking in the game(s) of the day and who take some tea will be required to make a donation into this box.
