OCC Newsletter – July 2014

Social

The race night scheduled in July has been cancelled due to a change of management at the Buff public house; an alternative date is being sought and will be advised in the near future. The world cup prediction results will soon be announced, a big thank you to everyone who managed to obtain multiple entries with Mike Knight getting the largest number of entries. Tickets for the cricket dinner will be going on sale soon. A new membership card will be introduced and once activated members will enjoy discounted drinks at the bar.

A reminder to all members that OCC committee members do have a direct report to the WPRFC committee and if they have any concerns over safety such as the recent incident involving the closing of the clubhouse due to travellers overtaking the car park or any other aspect of club activity please report this to an OCC committee member who can raise the matter further.

Finance

We would like to thank our sponsors Danny Catchesides and Crystal Palace Physio for their financial support.

Club House Redevelopment & Third pitch

No further developments at the moment, plans for the new club house can be found in the main hall – members will be advised by the committee when new information is made available.

Orpington FC has been approved funding for the development of the third pitch, plans have been drawn & work is scheduled to commence on the square in Aug/Sep 2014.

Guest Attendee at Committee Meetings

The committee will continue their policy of inviting a different member each month to attend a committee meeting to get a view of how the club is run internally and we are looking for volunteers, please contact Pete Shaw <secretary@orpingtoncc.co.uk> if you are interested in attending.

Club Welfare

You will see new signs reminding members that phones should not be taken into the changing area designed to protect junior and colt's welfare, this is in line with club mark status which is currently being re-applied for this season.

Playing

Availability has improved and a regular Sat 5th XI has been playing most weekends, players are encouraged to continue give their captains or chairman of playing (Chris Watts) their availability. A reminder that the Chris Hora memorial game is scheduled for the 24th August.
