

OCC Race Night

Sat 22 July - 8pm start (bar open from 6 pm for some light refreshments)

You have already had some of the big race meets Cheltenham, The National & Ascot - now it's the OCC Race Meet

As always, this is a major fundraiser for the club and it would therefore be great to see as many of you at this event as possible. The event will take place at the OCC club and is also a fun sport and good social evening. We will look to start the race night promptly as we have 8 races to get through.

There will be 8 races and 8 horses in each race of which you can buy (and name) a horse for £5, also you can be the trainer of a horse for £5. To buy a horse please see one of the Sat Captains or Chris Watts, David Robinson or Pablo. As usual all Owners and Trainers will also receive 1 free random entry into our tri-cast competition for the final race of the night. If an owner's horse wins their race the owner will receive a bottle of champagne along with the trainer of that horse. Program details will give all information on the betting and tri-cast betting on the night and will be distributed before the first race is run.
